

## Building Homes Together

Source Information

June 9, 2016

- Pg. 1 | Column 1 | Bullet 1: Lack of housing stymies job growth  
*Chittenden County, VT Competitive Assessment, 2012 – An ECOS Plan Analysis Report*
- Pg. 1 | Column 1 | Bullet 2: A low vacancy rate means housing is not available  
*Allen & Brooks Report, December 2015, page 213*  
*Multiple Listing Service Data as reported in the 2015 ECOS Scorecard*
- Pg. 1 | Column 1 | Bullet 3: Workers leave the county to find more affordable jobs  
*U.S. Census Bureau Longitudinal Employer-Household Dynamics*
- Pg. 1 | Column 1 | Bullet 4: A lack of affordability is a problem for many  
*Vermont Housing Data*
- Pg. 1 | Column 1 | Bullet 5: We're not building enough to meet demand.  
*Chittenden County Municipal Planning and Zoning*
- Pg. 1 | Column 1 | Bullet 6: We need to build 700 new homes...  
*A number chosen by the project partners above the amount of construction we've seen, though very possible based on Allen & Brooks reported permitted projects. The partners will continue to analyze this.*
- Pg. 1 | Column 2 | Icon 3: Helps the economy  
*National Association of Homebuilders*
- Pg. 1 | Column 2: Where more housing is built matters  
*2013 Chittenden County ECOS Plan*
