

County Maps needed (or PP slide w/ data)	Notes
Locations for Prescription drug disposal	<p>Already done! By Melanie Needle http://www.chittendenpreventionnetwork.com/rx-disposal.html <i>Would be good to be able to answer (what is the average distance someone has to travel in chittenden county to drop off meds?)</i></p>
Location of Pharmacies who could expand their permanent disposal options.	<p>Ryan M.-has list of CC pharmacies. 42 pharmacies in the region and thus far only Walgreens is a drop box site for prescription drugs.</p>
Schools- showing which ones have and don't have, evidence-based ATOD (Alcohol, Tobacco, Other Drug) education/curriculum	<p>School Based Substance Abuse Services (SBSAS) Grant: Burlington (BHS, Edmunds MS, Hunt MS) Chittenden East Chittenden South</p> <p>Whole School Whole Child Whole Community Grant - Chittenden South Supervisory Union.</p> <p>Agency of Education - School Level Tobacco Prevention Grants(OVX & VKAT):</p> <ul style="list-style-type: none"> • Burlington School District • Essex School District <p>Tobacco Use Prevention Education (T.U.P.E.) grant through Agency of Education - Burlington School District (and maybe others)</p> <p>Community Level Tobacco Prevention Grants:</p> <ul style="list-style-type: none"> • MCYC • WCSPC • Essex CHIPS • BPHC
Schools with an Student Assistance Professional (SAP)	<p>http://www.asap-vt.org/saplist.htm</p> <p>This may not be 100% accurate, although it is usually mostly right. Ryan can be of assistance when this contact list/data becomes a focus for a double check.</p>
Schools doing "Getting to the Y" or similar student led YRBS data process	<p>Ryan has participated in the past with Burlington, Winooski, and South Burlington YRBS dialogue nights. Probably most schools with any prevention staff or SAP do something along these lines.</p>

<p>Colleges-showing which ones offer:</p> <ul style="list-style-type: none"> • student wellness program • prevention programming • Recovery housing • Smoke-free campuses 	<p>UVM is the only college with a recovery support program- https://www.uvm.edu/recoverycommunity/</p> <p>Mariah Sanderson would be the best contact for Smoke Free campuses - Mariahbphc@gmail.com. Mariah said that St. Mikes might be headed that direction.</p> <p>UVM does alcohol EDU. Not sure what other colleges do for evidence based prevention.</p>
<p>Health care providers - showing who is doing and not doing SBIRT (Screening, Brief Intervention, and Referral to Treatment) screening</p>	<p>Lane, Ryan <Ryan.Lane@vermont.gov> is the program manager with ADAP for the SBIRT program and could fill in details for that.</p>
<p>Parks - with and without smoke-free ordinances</p>	<p>Vermont Dept. of Health - Tobacco Control collects</p>
<p>Parks - with and without alcohol-free ordinances</p>	
<p>Businesses - showing who offers:</p> <ul style="list-style-type: none"> • workplace wellness programs • Employee assistance program 	
<p>Businesses - showing who offers smoke-free campuses</p>	
<p>Parent Education - showing which cities/school districts/etc. Offer evidence-based parent:</p> <ul style="list-style-type: none"> • Educational classes • Marketing campaign • Support groups 	<p>Burlington is doing something. Winooski is doing something. CY is doing something in Chittenden South. Not sure where any of these stand and there could be more.</p>
<p>Community Education - showing reach of the VT's Most Dangerous Leftovers campaign coverage</p>	<p>Vermont Dept of Health - This would be neat! Not sure how to operationalize it at this point.</p>
